

Dear Friends in Christ,

It is appropriate that our Church of the Holy Faith is using the prayer attributed to our patron saint, Francis of Assisi, during this time when we are focused on the ministries of our church and our stewardship of them.

With Francis we seek God's help in making us instruments of peace. To sow love. And to pardon – others and ourselves. Our liturgy and sermons reinforce this petition every week.

And the glorious music we enjoy, together with the majestic architecture of our worship space, reminds us of the hope, light and joy that Francis encourages us to show through our faith.

Now we are called to give – of our time, talents and treasure – to support Holy Faith in 2025.

If you are pledging now, please renew your commitment, and increase it if you are able.

If you haven't been pledging, please prayerfully consider making a pledge now.

As the prayer concludes, "For it is in giving that we receive." Amen.

Blessings,

Jim and Patty Vaughan
Stewardship Co-Chairs
